/270GA/PP/3.87 UIA PART ID: 77-1829-4542-37005 CMD 447.11 R 543/1 R

MODEL: HULL E

The largest specialized freighter available on the market today, the Hull E is generally owned by major corporations and operated with a high degree of planning. The lack of maneuverability inherent in such a large ship means that anyone planning to operate them should be careful about equipping turrets and providing escort. Their potential load (and modularity) is unparalleled, however: no other ship allows as much room to store goods or to modify towards another role!

SHIP STATS

CLASS: Transport FOCUS: Heavy Freight **MAX CREW**

CARGO CAPACITY: 98304 SCU

LENGHT: 372 M BEAM: 104 M 104 M HIGHT:

NULL-CARGO MASS: 1,652,000 KG
