- BOLD DESIGN**  
Elegant stylings with the heart of a workhorse. The 600i balances performance and versatility in a sleek and timeless form. This is the way to see the universe.
- MULTI ROLE**  
Some ships are refined. Others sporty. Some rugged. The 600i defies comparison because it is all three.
- SPACE TO LIVE**  
Origin engineers created a design that feels expansive, yet intimate. Cutting edge, but familiar. The 600i fuses all of these into a seamless flight experience.
- TOTAL CONTROL**  
Behold the stars. The 600i's wraparound canopy provides stunning vistas and situational awareness in equal measure, all from the comfort of one of three multipurpose stations.
